# Virginia Voter Registration Application Form

## Register to Vote

Use this form to register to vote in Virginia. You can also report a change in name or address.

If you are already registered with your current name and address, you do not need to re-register.

## To register you must:

- be a U.S. citizen
- be a resident of Virginia
- be 18 years old by the next General Election
- had voting rights restored (if previously convicted of a felony or declared mentally incapacitated)

## Protected Voter Requirements

To legally qualify to not have your residence address published on voter lists requires that you meet certain statutory requirements. Your application must claim one of four reason codes:

- **LEO:** active or retired law enforcement officer, judge, U.S. or Virginia Attorney General attorney
- **CPO:** have a court issued protective order for your benefit
- **TSC:** have a complaint with law enforcement about being threatened or stalked (must attach complaint)
- **ACP:** registered with the Virginia Attorney General's Address Confidentiality Program

## Address Requirements

An eligible applicant who does not want their residence address published in voter lists must also provide an alternative post office box mailing address within Virginia to be used on the voter lists.

## Send or deliver this form

Fill out the form on page 3 of this document and mail it to your voter registration office for your county or city (List is provided on page 2). The envelope must be postmarked at least **22 days** before the next Primary or General election in which you plan to vote.

You should receive a voter card in the mail within **30 days** of mailing this form. If you do not, please contact your city or county voter registration office or the State Board of Elections.

**You are not officially registered to vote until this application is approved.**

## I.D. Requirements

If you are registering for the first time by mail, federal law requires you to provide identification.

Please enclose a current copy one of the following documents:

- valid photo ID
- utility bill
- bank statement
- government check
- paycheck
- other government document

Virginia law requires you also to provide identification when you vote in person. Your voter information card is acceptable identification.

**For information on other types of qualified identification, please visit <http://www.sbe.virginia.gov/links/voterID> or call toll free at 1-800-552-9745 (TTY: 1-800 260-3466)**

## Privacy Act Notice:

Article II, Section 2 of the Constitution of Virginia (1971) requires that a person registering to vote provide his or her Social Security Number, if any. Therefore, if you do not provide your Social Security Number, your application for voter registration will be denied. Section 7 of the Federal Privacy Act (Public Law Number 93-579) allows the Commonwealth to enforce this requirement, but also requires that you be advised that state and local voting officials will use the Social Security Number as a unique identifier to ensure that no person is registered in more than one place. Your Social Security Number will appear on reports produced only for official use by voter registration and election officials, and for jury selection purposes by courts.

## Bilingual Election Requirements:

Section 203 of the Voting Rights Act of 1965, Title 42, United States Code (U.S.C.), §, 1973AA-1A mandates that a state or political subdivision must provide language assistance to voters if more than five (5) percent or more than 10,000 of voting age citizens are members of a single-language minority group and are limited-English proficient; and the illiteracy rate of such language minority citizen in the political subdivision is higher than the national illiteracy rate. Only those localities in Virginia meeting this threshold are required to provide bilingual language assistance for qualifying languages under Section 203. Localities covered: Fairfax County (Spanish).
